Request Description

Short Description : Bautsch-Gray Superfund Site

Joan Tanaka, Chief of Remedial Response Branch 1, stated the following in her August 31, 2016 letter to the Estate of Lois Jean Wienen (c/o Carey S. Rosemarin): "EPA has received information that you may be liable under Section 107(a) of CERCLA with respect to the Site, as potentially responsible for the release, or threat of release, of hazardous substances at the Site." I have attached a copy of the complete letter. By this FOIA request, I ask USEPA to produce the information to which it refers in the quoted sentence. Please call me at 847-897-8000x11 if you have any questions concerning this matter. Thank you for your assistance. Carey S. Rosemarin
